FRANCO CAPIGLIONI
JUNIOR SOFTWARE DEVELOPER

+44 7915 766651 • francocapiglioni.mail@gmail.com • [Portfolio](#) • [LinkedIn](#)

SUMMARY

Motivated and adaptable junior software developer with a strong learning mindset. I enjoy understanding user needs, translating them into practical solutions, and working closely with teams to build quality software. I'm looking to join a company where I can grow technically, contribute from day one, and expand my full-stack development skills.

WORK EXPERIENCE

Coordinator & Programming Instructor, Codelearn SL   **Sep 2020 - Dec 2024**

- Taught programming (Python, JS, C#) to students aged 8–18
- Managed a team of 5+ instructors across two learning centres
- Designed marketing campaigns and handled community outreach
- Improved student retention through gamified learning ourneys
- Developed interactive apps and coding games used for class use

Software Developer, Applus + IDIADA   **Mar 2020 - Jun 2020**

- Worked as part of a dev team maintaining internal software tools
- Participated in agile meetings and sprint planning
- Assisted in Java-based back-end tasks and minor UI updates

EDUCATION

Bachelor's Degree in Computer Engineering   **Sep 2023 - Present**
